

**FUTURE  
CREATIVES**

**Got big ambitions? You could get a taste of your dream career at Birmingham City University's new Future Creatives workshops for 13 to 16 year olds.**

Find out what it's like to make games for a living, design exciting brand campaigns, produce radio shows, run a business, work in TV or even be a fashion photographer!

Each workshop is supervised by experienced trainers and lasts between 3 and 5 days during school holidays at our facilities in Birmingham city centre.

How much? It costs £50 a day per pupil, and is the only place where you'll get fun, hands-on training to help set you on the path to an exciting creative career.
